1	Liebensteinstraße Öffentliche WC	Toilette (1)	 A photograph showing the interior of a public toilet stall. The walls are covered in light-colored square tiles. On the left wall, there is a window with a red frame and a sink below it. A grey electrical panel is mounted on the right wall. A white toilet is visible in the corner on the right. The floor is made of grey and black speckled tiles. The stall door is partially visible on the left and right sides.
